A Stunning Place to Meet
For business or leisure, let Madigans make it an event to remember

Nestled within the Alice Springs Desert Park at the base of the MacDonnell Ranges and surrounded by desert gardens, Madigans Function Room offers guests a contemporary venue tastefully furnished with vibrant colours reflective of the region's landscape.

Madigans has been designed to reflect and include the iconic Central Australian landscape with 180 degree views through large expanses of glass and utilising elements of nature to create an ideal atmosphere for a corporate function.

Every conference, meeting and event is tailored to suit your own needs. Our experienced team will personally manage your event from the initial enquiry through to the successful completion.

Madigans is renown for serving some of the best Territorian cuisine. While dishes incorporate many different styles of cooking, they are designed to reflect the unique location in which they are served. Native foods are combined with the freshest gourmet ingredients to produce a mouth-watering selection of dishes that are as delicious as they are impressive. Examples including sliced ham, mesculin lettuce, tasty cheese and bush tomato chutney in a fresh tortilla wrap and golden honey biscuits shaped in Australian native animals. Menus are designed for every taste and budget, and are teamed with excellent service.
